

Battle of the Neighbourhoods

City :San Francisco

Introduction

The Project aims to Help choose the best Location to begin an Apartments Project.

Below are some of the Problems we need to answer;

1. Where is the best spot to start an Apartments Project ?
2. What are the factors on which customers choose Apartments?
3. What are the proximities of the basic Necessities available?

Factors on Choosing an Apartment

Building Factors:

- Well Built and Sturdy.
- Electricity and Plumbing.
- Parking Space.
- Rent

(Ignoring, these are left to the builder)

Location Factors:

- Nearest Hospital (distance)
- Nearest Groceries Store (distance)
- Nearest School/College(distance)
- Lifestyle / Gym Nearby
- Restaurants and Eateries

(We'll be focusing on this Section)
